Richard,

I confirmed that Greg Etter will not be attending Wednesday's meeting. Also, here is the email Greg sent to Martin Hestmark earlier today.

Regards,

Nathan

Martin:

I am looking forward to our meeting. Please see the attached Letter of today's date. We believe that the "Game Plan" schedule proposed in the Letter presents the opportunity to profoundly improve water quality and habitats in the Animas, and hope that the proposed schedule serves as a platform for discussion about the path forward.

Thanks and regards.

Greg
